

A STOCK COLLECTION OF 311 HPL FOR INTERIOR
DESIGN APPLICATIONS WITH A FAST DELIVERY
PROGRAMME. A WIDE RANGE OF COLOURS, DECORS
AND FINISHES, ALWAYS READY FOR YOUR
INSPIRATION, IMAGINATION AND CREATIVITY.

FOR
YOU

FINISHES

The finishes illustrated on this page are presented in their actual dimensions.
To correctly understand the depth and tactile effect, it is advisable to request an A4 sized sample.
To ascertain which finish can be produced on each decor, please refer to the table on the reverse or to the notation below the particular HPL image.

For information about our sales network, to download technical information and access Arpa's services, visit our website arpaindustriale.com

Tech

Consultation and technical support pre and post-sale.

This service is tailored according to application field and individual planning requirements.

Trends

Specialized team keeps track of global innovations and developments so that you can stay at the forefront of the latest interior design trends.

Hub

Experimental platform showcases events and schedules occasions for meeting face-to-face to share ideas and experiences, learn techniques and stay up-to-date.

Quick Sample

A quick delivery service of samples in A4 format in the desired Arpa for You reference.

The most important quality characteristics of decorative High Pressure Laminate according to EN 438

-  Impact resistant
-  Scratch and wear-resistant
-  Light fastness
-  Easy to clean
-  Heat-resistant (up to 180°)
-  Hygienic
-  Suitable for contact with food

Over 50 years of research and technology

Since 1954 Arpa Industriale has been designing and manufacturing panels with very high quality HPL technology for the most diverse applications: from architecture to interior design, from healthcare to shipyards, from transport to hospitality, from retail to kitchens. Arpa Industriale offers a vast range of choices of products, extremely varied in both structure and appearance.

Arpa HPL are produced at the 150,000 sqm plant (over 1.6 million square feet) in Bra, Piedmont, with all the originality of expressive design and creativity that the label "made in Italy" stands for.

The over 50 years of investment in research & technology and staff training have enabled Arpa to gain a leading position on the international markets and a reputation for great reliability: Arpa is a company that stands out for the expertise of its staff, the quality and variety of what it offers, its manufacturing flexibility and its range of services.

Disclaimer

The disclaimer that follows is a summary of the applicable full disclaimer (which can be found on arpaindustriale.com). The information provided by Arpa Industriale S.p.A. ("Arpa") in this document is solely indicative. Arpa is unable to warrant the accuracy and completeness of this information. No rights can be derived from the information provided; the use of the information is at the other party's risk and responsibility. This document does not guarantee any properties of Arpa's products. Arpa does not warrant that the information in this document is suitable for the purpose for which it is consulted by the other party. The document does not contain any design, structural calculation, estimate or other warranty or representation that customers and third parties may rely on. Colours used in Arpa's communications (including but not limited to printed matter) and in samples of Arpa's products may differ from the colours of the Arpa's products to be supplied. Arpa's products and samples are produced within the specified colour tolerances and the colours (of production batches) may differ, even if the same colour is used. The viewing angle also influences the colour perception. Customers

and third parties must have a professional adviser inform them about (the suitability of) the Arpa's products for all desired applications and about applicable laws and regulations. Arpa reserves the right to change (the specifications for) its products without prior notice. To the maximum extent permitted under the applicable law, Arpa is not liable (neither contractual nor non-contractual) for any damage arising from or related to the use of this document, except if and to the extent that such damage is the result of wilful misconduct or gross negligence on the part of Arpa and/or its management. All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related activities of Arpa are governed by the General Terms and Conditions of Arpa Industriale S.p.A. All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related work of Arpa USA, Inc. ("Arpa USA") are governed by the Arpa USA General Terms and Conditions of Sale. All intellectual property rights and other rights regarding the content of this document (including logos, text and photographs) are owned by Arpa and/or its licensors.
